## Choose an “ASIAN AMAZON” Ancient River Experiences

River Film (Tourism)  
Adventures Park

Global Filming Zones  
*(VFX River Studio,  
In small island river)*

Global Filming Zones  
*(River Nature Studio, 700 km )*

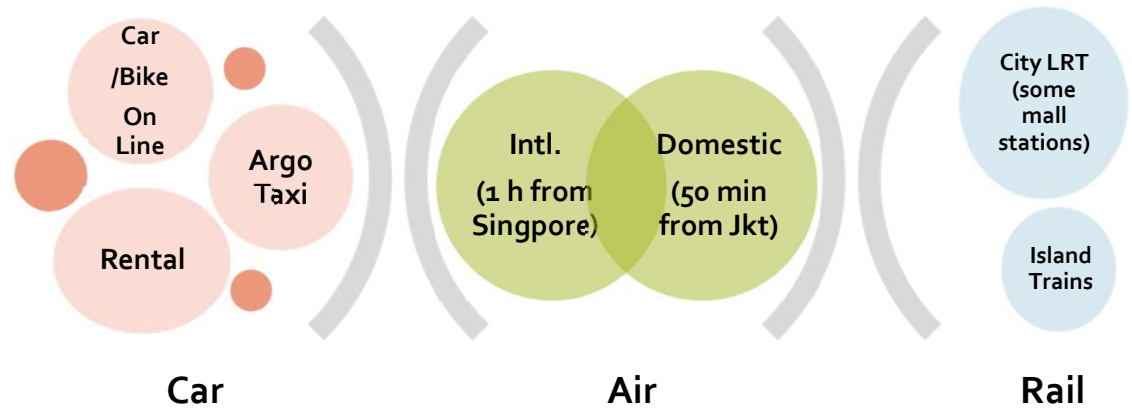

## ***\* Why build the VFX River island studio in Palembang Ancient River City ?***

- 1. Musi river is the only "Asian Amazon" River, kind of but safer...700 km passing modern city and inhabitant life. The "Asian Amazon" River becomes also the biggest nature studio for global filming zones in the river area.***
- 2. The VFX River studio located in the small island middle of River not far from the city. Unique and different.***
- 3. The modern city behind with the combination of Cultural life and Ancient River exploration.***
- 4. Palembang city, South Sumatera only takes one hour's flight from Singapore.***
- 5. Palembang International Tourism & Film Board is formed by the City Major to show the world, Palembang is ready to become a River film city for the world film industry.***

## Transportation to, and in Palembang Intl. Heritage City
